Where Kids Find Strength

*Strong Youth, Strong Families, Strong Community*

## **STREET OUTREACH NEEDS**

We give out more of the “kit” type items out on the streets, and then have things in bulk at the drop in center. Here are some of our thoughts:

- Food Packs for van: bag of chips, granola bar, bottle water and/or juice box, fruit snack
- Drop in Center food: Ramen noodle cups, soup/items you can microwave in the same container, frozen dinners, juice boxes, pop tarts, fruit snacks, peanut butter crackers, any non-perishable “kid friendly” items
- Hygiene kits: body wash, combs, individually packaged handy wipes, Kleenex
- Hygiene items for drop in center: feminine hygiene items, toothpaste, flip flops for shower, body wash, razors, shaving cream, towels, washcloths, laundry detergent, combs, lotion, Kleenex, handy wipes, shampoo, deodorant, toothbrushes
- Blankets, socks, underwear and undershirts of all sizes
- Medical items, to include antiseptic wipes, band aids, antibiotic ointment, basic medical items.

**Please contact Margaret Mahan at 314-918-3330 with any questions**
