## Independent Auditor's Report

Board of Directors  
Epworth Children & Family Services, Inc.  
Saint Louis, Missouri

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of Epworth Children & Family Services, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Epworth Children & Family Services, Inc. as of December 31, 2019 and 2018 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

## **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated June 18, 2020, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

## **Emphasis of a Matter**

As discussed in Note Q to the financial statements, in January 2020, the World Health Organization has declared COVID-19 to constitute a "Public Health Emergency of International Concern." Given the uncertainty of the situation, the duration of any organizational disruption and related financial impact cannot be reasonably estimated at this time. Our opinion is not modified with respect to this matter.

### Note A - Operations and Summary of Significant Accounting Policies

#### *Operations*

Epworth Children & Family Services, Inc. (“Epworth” or “the Organization”) is a not-for-profit charitable corporation that provides a wide array of services to children, youth and families in need, strengthening the capacity of each to thrive in society. For more than 150 years, Epworth has provided the community with essential youth development services that have helped thousands of children overcome severe emotional and behavioral challenges. Epworth’s innovative, holistic, and comprehensive treatment approach helps youth focus on solutions, build on inherent strengths and communicate more effectively. Youth and families turn to Epworth for foster care, emergency shelter, residential treatment, transitional living services, educational day treatment services, family support services, prevention services and psychological services each year. Epworth’s revenue and support are derived primarily from local, state and federal agencies, along with public contributions.

In addition, Epworth is a member of the Children’s Permanency Partnership, LLC, a for-profit LLC, which provides foster care case management services to youth in the custody of the State of Missouri.

#### *Financial Statements Presentation*

The following is a description of the two classes of net assets of the Organization:

**Net Assets Without Donor Restrictions** – Net assets available for use in the general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated funds, from net assets without donor restrictions for specific operating purposes.

**Net Assets With Donor Restrictions** – Net assets subject to donor-imposed restrictions that are either temporary or perpetual in nature. Temporary donor-imposed restrictions will be met by events specified by the donor or the passage of time. Perpetual donor-imposed restrictions are indefinite, with the income from the contribution being available for expenditure, as defined by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated purpose for which the resource was restricted has been fulfilled.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restriction are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions received and satisfied in the same year are reported as increases in contributions without donor restrictions.

#### **Note A - Operations and Summary of Significant Accounting Policies (Continued)**

##### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and accordingly, reflect all significant receivables, payables and other liabilities. Revenues and expense are recognized in the period which they are earned or incurred.

##### ***Change in Accounting Principle***

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The ASU clarifies and improves guidance for contributions received and contributions made and provides guidance to organizations on how to account for certain exchange transactions. This change is preferable in that it clarifies whether to account for transactions as contributions (nonreciprocal) or as exchange (reciprocal) transactions. In addition, it clarifies whether a contribution is conditional. As a result, it enhances comparability of financial information among not-for-profit entities. The change in accounting principle was adopted under the modified prospective in 2019. No restatement of prior amounts were recognized in the 2019 financial statements.

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers (ASC 606). This guidance outlines a single, comprehensive model for accounting for revenue from contracts with customers. The standard was adopted on January 1, 2019. The Organization's program revenue is generated substantially from providing youth services, including counseling, foster care services, and mental and behavioral health services, as well as holding special events to raise funding for programs. The revenue for services provided is recognized over time as services are provided to clients. The Organization's ticket sale revenue from special events is recognized over time as the recipient receives benefits from events. The timing of revenue recognition was not affected by the new standard.

##### ***Cash and Cash Equivalents***

For purposes of the statement of cash flows, the Organization considers all highly liquid financial instruments, excluding cash held in the investment accounts, with a maturity as of the financial statement date of three months or less to be cash equivalents. The Organization maintains cash balances at various major domestic financial institutions in amounts that at times may exceed federally insured limits. The Organization has not incurred any losses as a result of the excess balances.

#### **Note A - Operations and Summary of Significant Accounting Policies (Continued)**

##### ***Accounts and Grants Receivable***

Accounts and grants receivable are fees for services and grants which are stated at the amount management expects to collect from outstanding balances. Invoices are considered past due once they are outstanding over 30 days. Management provides for probable uncollectible amounts through a charge against earnings and a corresponding increase in a valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a reduction in the valuation allowance and the receivable.

##### ***Investments***

Investments are stated at fair value. Investment income is recognized when earned.

##### ***Property and Equipment***

Property and equipment in excess of \$1,000 is recorded at cost or, if received by gift or bequest, at the market value at the date of donation. If the donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In absence of such stipulations, contributions of property and equipment are reported as support without donor restrictions. In 2019 or 2018, the Organization did not receive contributions of property and equipment considered restricted support.

Depreciation is recorded on the straight-line basis over the estimated useful lives of the assets as follows: buildings and improvements, five to thirty years; furniture and equipment, three to fifteen years; automobiles, five years; and computers and software, three to five years. Expenditures for major renewals and improvements, which increase the useful lives of respective assets, are capitalized. Maintenance and repairs are expensed as incurred.

##### ***Impairment of Long-Lived Assets***

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. If the sum of the expected future undiscounted cash flows is less than the carrying amount of the asset, a loss is recognized for the difference between the fair value and the carrying value of the asset. For the year ended December 31, 2019 and 2018, management determined that no impairment loss needs to be recognized.

##### ***Other Liabilities***

Other liabilities primarily consists of a medical claims reserve for employee health insurance. As the Organization is self-funded for medical insurance purposes, a medical claims reserve has been established to capture the estimated incurred, but not reported claims liability. This reserve amounted to \$110,000 for each of the years ended December 31, 2019 and 2018.

#### **Note A - Operations and Summary of Significant Accounting Policies (Continued)**

##### ***Contributions***

The Organization recognizes contributions as revenue when an unconditional promise is made. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increase the related net asset class. Support is released from restrictions once timing or donor stipulations have been satisfied.

In addition to receiving cash contributions, the Organization receives in-kind contributions of rental space and other items from donors. It is the Organization's policy to record the estimated fair value of certain in-kind donations as an expense in its financial statements and similarly increase in contribution revenue by a like amount. The Organization records those donations if their value is readily ascertainable and if the services performed require expertise.

Conditional promises to give, cash and other asset are recognized and recorded as revenue as the conditions are met.

##### ***Revenue Recognition***

Fees for professional services and special events ticket sales are recognized when the satisfaction of the contractual performance obligation is met. The performance obligation is met upon completion of the service or at the time of the event. Fees for professional services received in advance are deferred to the applicable period in which the related services are performed. Fees for professional services rendered represents the estimated realizable amounts from clients and others for services rendered.

##### ***Functional Expense Allocation***

The Organization allocates expenses on a functional basis among various programs and supporting activities. Expenses that can be identified with a specific program and supporting activities are allocated directly according to their natural expenditure classifications.

Certain categories of expenses are attributable to more than one program or supporting function and are allocated on a reasonable basis that is consistently applied. The expenses that are allocated are salaries and benefits, professional fees, supplies, food service expense, telephone expense, utilities, printing and postage, repairs and maintenance, training and travel, automobile expense, insurance, interest, based debt, debt, and rent. The allocable expenses are allocated based on time and effort estimates for the various departments. Depreciation expense is allocated based on the location at which the asset is utilized.

#### **Note A - Operations and Summary of Significant Accounting Policies (Continued)**

##### ***Donated Services and Goods***

The Organization records donated services and goods in accordance with *FASB ASC 958-605, Revenue Recognition*. As such, donated services are recognized when the service either creates or enhances a non-financial asset or requires specialized skill that would be purchased if the service was not donated. There were no such services during the years ended December 31, 2019 and 2018.

Additionally, the Organization records donated goods as support at their estimated values, if determinable. For the year ended December 31, 2019 and 2018, the Organization received donated rent valued at \$64,625 and \$70,500, respectively. During the years ended December 31, 2019 and 2018, the Organization received \$0 of donated assets.

##### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### ***Tax Status***

The Organization constitutes a qualified not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal income taxes.

In that regard, the Organization has evaluated its tax positions, expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings and believes that no provision for income taxes is necessary, at this time, to cover any uncertain tax positions.

##### ***Subsequent Events***

The Organization evaluated all subsequent events through June 18, 2020, the date the financial statements were available to be issued.

#### Note B - Liquidity and Availability of Resources

Financial assets available for general expenditure, that is, without donor or management restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	<u>2019</u>	<u>2018</u>
Cash and cash equivalents	\$ 966,964	\$ 980,576
Accounts receivable	760,524	1,229,076
Grants receivable	744,332	791,978
Contributions receivable	58,475	97,709
Less non-current annuities	(35,475)	(73,480)
Endowment spending-rate distributions and appropriations (5%)	68,463	59,512
Board-designated investment distributions and appropriations (5%)	117,425	102,503
Estimated distributions from beneficial interests in assets held by others	100,000	127,000
Less cash and receivables with donor restrictions	<u>(1,019,668)</u>	<u>(662,358)</u>
	<u>\$ 1,761,040</u>	<u>\$ 2,652,516</u>

In addition to the above resources, the Organization also holds a \$500,000 line-of-credit with a maturity date of June 30, 2020. See Note I for more information on the line-of-credit.

The Organization has an endowment fund in which the investment income is restricted for building maintenance and improvements. The Organization has adopted a 5% spending policy for the endowment based on the prior calendar year's ending investment balance. For the year ending December 31, 2019, the Organization may withdraw up to \$108,577 to assist with building maintenance and improvements.

The Organization has a board-designated investment fund with an annual spending rate of 5% as described in Note L. Although the Organization does not intend to exceed the spending policy rate, these amounts could be made available, if necessary.

#### Note C - Contributions Receivable

At December 31, 2019 and 2018, contributions receivable was as follows:

	<u>2019</u>	<u>2018</u>
Short-term contributions receivable	\$ 23,000	\$ 80,765
Annuities receivable	35,475	73,480
Allowance for uncollectible accounts	-	(56,536)
	<u>\$ 58,475</u>	<u>\$ 97,709</u>

Substantially all short-term contributions receivable are expected to be collected within one year.

#### Note D - Conditional Contributions Receivable

The Organization receives funding from various funders on a unit-based reimbursement basis. The agreements require the fulfillment of certain conditions and performance obligations prior to requesting funding. Failure to fulfill the conditions could result in the return of the funds or release of the funds.

In addition, the Organization receives various forms of governmental funding contingent on meeting specific cost and compliance guidelines prior to receiving funding.

No amounts have been reflected in these financial statements for the conditional promises to give until conditions are satisfied.

#### Note E - Prepaid and Other Assets

At December 31, 2019 and 2018, prepaid and other assets were as follows:

	<u>2019</u>	<u>2018</u>
Prepaid expenses	\$ 123,767	\$ 149,525
Prepaid payroll costs	176,642	-
Investment in Children's Permanency Partnership	46,244	15,806
	<u>\$ 346,653</u>	<u>\$ 165,331</u>

#### Note E - Prepaid and Other Assets (Continued)

The Investment in Children's Permanency Partnership represents Epworth's share of the partnership assets for which it is a member and is calculated using the equity method of accounting.

On April 22, 2005, the Organization became a member of the Children's Permanency Partnership, LLC, which entitles the Organization to a percentage of the overall earnings based on their case load. As of December 31, 2019 and 2018, the Organization was a 35% member of the for-profit entity. Although ownership in the Limited Liability Corporation reflects a noncontrolling interest, the percentage of ownership can fluctuate and, as a result, the Organization accounts for this investment under the equity method.

Following is a summary of the financial position and results of operations of Children's Permanency Partnership, LLC, as of and for the years ended December 31, 2019 and 2018 :

	<u>Unaudited</u> <u>2019</u>	<u>Unaudited</u> <u>2018</u>
Total assets	<u>\$ 869,919</u>	<u>\$ 833,044</u>
Total liabilities	<u>\$ 615,050</u>	<u>\$ 666,137</u>
Members' equity	<u>\$ 254,869</u>	<u>\$ 166,907</u>
Revenue	<u>\$ 15,422,589</u>	<u>\$ 15,174,736</u>
Net income (loss)	<u>\$ 82,852</u>	<u>\$ (309,963)</u>

#### Note F - Beneficial Interest in Trusts

The Organization is a named beneficiary of irrevocable deferred gifts. These amounts are held by third-party trustees and are included in net assets with donor restrictions by the Organization. At December 31, 2019 and 2018, these assets, including investments and real estate, were valued at \$2,945,623 and \$2,626,280, respectively.

#### Note G - Property and Equipment

Property and equipment at December 31, 2019 and 2018, are comprised of the following:

	<u>2019</u>	<u>2018</u>
Land, buildings and improvements	\$ 9,729,197	\$ 10,120,517
Furniture and equipment	1,133,483	1,134,902
Computers and software	801,142	801,142
Automobiles	233,026	222,903
Construction in progress	5,000	-

Less: accumulated depreciation	<u>(8,752,780)</u>	<u>(8,669,976)</u>
	<u>\$ 3,149,068</u>	<u>\$ 3,609,488</u>

The Organization leases a major portion of its land at no cost from the Women's Division of the United Methodist Church, a related party. In the event the Organization resolves to vacate this leased property, the Women's Division, at its option, shall either sell the leased property and invest the proceeds in a new site for the Organization under similar lease terms or reimburse the Organization for the fair value of the buildings and the improvements it made on the leased property. For the years ended December 31, 2019 and 2018, Epworth has recorded an estimated fair value for this lease of \$64,625 and \$70,500, respectively, as both in-kind contribution income and rent expense. Subsequent to year end, the land associated with this lease was donated to the Organization.

On February 4, 2014, the Organization entered into a Missouri Affordable Housing Credit Program agreement with the Missouri Housing Development Commission. As a part of the agreement, the Organization's building utilized by the YES program is subject to a 10-year Land Use Restriction Agreement. Under the agreement, Epworth must operate, maintain, and manage the building as a homeless shelter under the YES program. Subsequent to year end, the property associated with the restriction was sold and the restriction was transferred to a new building housing the program.

#### Note H - Defined Contribution Plan

The Organization's 401(k) Plan allows full and part time employees to defer a portion of their wages and receive a discretionary match on those deferrals not to exceed federal limits. Employees are eligible to enroll upon completion of their first year of service (12 months) and 1,000 work hours following their date of hire. If an employee does not meet the eligibility requirements in the first 12 months after hire, s/he can meet these requirements if 1,000 hours are worked in the following calendar year. Enrollment entry dates are January 1 or July 1 of the plan year.

The plan is a 2-year vesting plan. Epworth matches a maximum of 50% of the first 3% contributed by the employee. The Organization made matching contributions of \$30,396 and \$40,183 for the years ending December 31, 2019 and 2018, respectively. The Organization did not make a discretionary contribution to the 401(k) plan during 2019 or 2018.

#### Note I - Line-of-Credit

During the year ended December 31, 2019, the Organization renewed its \$500,000 line-of-credit agreement with U.S. Bank, which matures on June 30, 2020. The interest rate on the line was 3.875% and 4.63% as of December 31, 2019 and 2018, respectively. The balance is collateralized by property and receivables. As of December 31, 2019 and 2018, there was no balance outstanding on the line-of-credit.

#### Note J - Fair Value Measurements of Assets and Liabilities

The Organization follows FASB ASC 820-10, *Fair Value Measurements and Disclosures*. FASB ASC 820-10 establishes a framework for measuring fair value and expands disclosures about fair value measurements.

FASB ASC 820-10 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB ASC 820-10 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

**Level 1:** Quoted prices in active markets for identical assets or liabilities.

**Level 2:** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in active markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

**Level 3:** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

*Common stocks, corporate bonds and U.S. government securities:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual Funds:* Valued at the net assets value (NAV) of shares held at year end.

*Beneficial interests in trusts:* Measured at fair value on a recurring basis using significant third-party trust valuations and management's estimate of the value of the Organization's share of the investment.

Management determines the fair value measurement valuation policies and procedures, which are subject to Board assessment and approval. At least annually, management determines if the current valuation techniques used in fair value measurements are still appropriate.

**Note K - Endowment Funds**

The Organization follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Organization’s endowment consists only of donor-designated funds; there were no board designated endowment funds during 2019 or 2018. The named endowment funds are for general operating purposes except for the Odom funds, the earnings of which are restricted for building maintenance and improvements.

The Board of Directors has interpreted state law as requiring the preservation of the fair value of the original gift as of the date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by us in a manner consistent with the standard of prudence prescribed by UPMIFA. The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the organization

The Board of Directors adopted a spending rate of 5% per year based on the market value at the end of the previous calendar year for the endowment funds to provide a predictable stream of funding for operations while seeking to maintain the purchasing power of the endowment assets.

#### **Note K - Endowment Funds (Continued)**

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Organization has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At December 31, 2019, funds with original gift values of \$2,651,607, fair values of \$3,540,789, and no deficiencies were reported in net assets with donor restrictions. At December 31, 2018, funds with original gift values of \$2,651,607, fair values of \$3,163,471, and no deficiencies were reported in net assets with donor restrictions.

The beneficial interest in a perpetual trusts, which totals \$2,945,623 and \$2,626,280 for 2019 and 2018, respectively, are not legally subject to UPMIFA because the Board does not have the ability to control the investments and the spending policy of these trusts.

#### **Note L - Net Assets Board Designated**

The Organization holds an investment account that is restricted for long-term growth by the Board of Directors. Board restricted net assets at December 31, 2019 and 2018, were \$2,348,496 and \$2,050,068, respectively. The investments are governed by a 5% annual spending rate policy. With Board approval, the Organization may exceed the annual spending rate.

### Note N - Leases

The Organization leases equipment under operating leases expiring at various dates through 2020. Rental expense from these agreements was \$95,672 and \$99,646 for the year ended December 31, 2019 and 2018, respectively.

Future minimum lease payments as of December 31, 2019 and 2018, are as follows:

<u>Years ending December 31,</u>	<u>Amount</u>
2020	\$ 36,909
2021	5,685
2022	4,380
2023	852

### Note O - Revenue

Contractual program service fees are billed for services performed in the previous month, in accordance with agreed-upon contractual terms, either at periodic intervals (e.g., weekly or monthly) or upon achievement of contractual milestones. The Organization recognizes revenue for these arrangements over time as services are performed. There are no significant financing components recognized by the Organization. Service revenue represents per unit costing with nongovernmental agencies which is recognized over time as services are provided to clients. Performance obligations are met when a unit of service is provided, as defined by the agency or other funding source. The transaction price is set by the nongovernmental agency but generally follows governmental pricing structures. Special event income represents the reciprocal transaction between donors and Epworth for special event ticket sales, tables, and other benefits. The income is recognized over time as events are held.

Amounts invoiced and collected in excess of revenues recognized are contract liabilities, which are presented as deferred revenues in the Statements of Financial Position. As of December 31, 2019 and 2018, there are no amounts invoiced and collected in excess of revenue that would be considered deferred revenue.

Amounts invoiced and uncollected at year end are considered receivables. As of December 31, 2019 and 2018, \$247,273 and \$335,316, respectively, were receivable for reciprocal transactions.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

Board of Directors  
Epworth Children & Family Services, Inc.  
Saint Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Epworth Children & Family Services, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 18, 2020.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered Epworth Children & Family Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Epworth Children & Family Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Epworth Children & Family Services, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Epworth Children & Family Services, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance but did identify other matters that are required to be reported under Government Auditing Standards and which are described in the accompanying schedule of findings and questioned costs as item 2019-001.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by Uniform Guidance**

Board of Directors  
Epworth Children & Family Services, Inc.  
Saint Louis, Missouri

### ***Report on Compliance for Each Major Federal Program***

We have audited Epworth Children & Family Services, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Epworth Children & Family Services, Inc.'s major federal programs for the year ended December 31, 2019. Epworth Children & Family Services, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### ***Management's Responsibility***

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Epworth Children & Family Services, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code *Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Epworth Children & Family Services, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Epworth Children & Family Services, Inc.'s compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Epworth Children & Family Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2019.

### ***Report on Internal Control over Compliance***

Management of Epworth Children & Family Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Epworth's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Epworth's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify deficiencies in internal control over compliance, described in the accompanying schedule of findings and questions costs as items 2019-002 to 2019-004, that we consider to be material weaknesses.

Epworth Children & Family Services, Inc.'s response to the internal control over compliance findings identified in our audit is described in the accompanying corrective action plan. Epworth's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **Schedule of Findings and Questioned Costs – Continued**

December 31, 2019

---

#### **Findings – Financial Statements Audit – Year Ended December 31, 2019**

##### **2019-001 Review and Reporting of Grant Expenses**

**Criteria-** Epworth Children & Family Services is responsible for tracking expenses applied to the grant to allow for proper monitoring of grant utilization.

**Condition-** Expenses attributed to grant clients and related services could not be segregated from overall program expenses.

**Context-** We noted expenses attributed to grant clients and services performed could not be segregated to provide reporting for those expenses applied against the grant.

**Cause-** The Organization does not track expenses by grant.

**Effect-** Failure to track expenses by grant for cost reimbursable grants could result in inaccurate reporting and the use of grant funding on clients unrelated to the grant.

**Recommendation-** Implement a formal procedure to track expenses by grant and evaluate actual expenses applied against the grant on a monthly basis. This is a continued finding from the prior year. See finding 2018-001.

#### **Findings and Questioned Costs – Major Federal Awards Program**

##### **DEPARTMENT OF HEALTH & HUMAN SERVICES**

##### **Transitional Living Program—CFDA No. 93.550**

##### **2019-002 Internal Control to Monitor Days of Services**

**Criteria-** Epworth Children & Family Services is responsible for maintaining a proper internal control system over a client's admittance and discharge to ensure they do not exceed the maximum allowable days of service as permitted by program compliance requirements.

**Condition-** Documentation of control formally monitoring clients and their related length of stays to ensure they did not exceed maximum allowable days of service did not exist.

**Context-** We noted a lack of documentation of a review of a client's days of service for 5 out of 5 instances.

**Cause-** The Organization did not implement a control to monitor the number of days of services a client receives.

**Effect-** The lack of a documented preventative review could result in clients exceeding the maximum allowable days of service resulting in excess grant expenses being utilized on the ineligible client.

---

#### **Findings and Questioned Costs – Major Federal Awards Program (Continued)**

##### **2019-002 Internal Control to Monitor Days of Services (Continued)**

**Recommendation-** Implement a documentation procedure to provide evidence of review of clients and their number of days of services to ensure no clients exceed the maximum allowable days as noted in compliance requirements.

##### **2019-003 Review and Reporting of Grant Expenses**

See finding 2019-001 under Financial Statements Audit.

##### **2019-004 Review of Performance and Financial Reporting**

**Criteria-** Epworth Children & Family Services is responsible for implementing and documenting controls over grant reporting.

**Condition-** Control and/or documentation of control related to reporting oversight did not exist.

**Context-** We noted a lack of review of performance reporting for 1 of the 2 reports tested and the lack of documentation of review of financial reporting for 2 of the 2 reports tested.

**Cause-** Due to transition in staffing, the Organization did not implement a control to monitor or document oversight of grant reporting.

**Effect-** The lack of review may result in inaccurate grant reporting and the loss or return of funding.

**Recommendation-** Implement a formal procedure that either segregates the report preparer from the report authorizer or documents a formal review of both performance and financial reporting by program management or executive management prior to submission to the grantee.

## **EPWORTH CHILDREN & FAMILY SERVICES, INC.**

### **Corrective Action Plan**

December 31, 2019

---

#### **Views of responsible officials and planned corrective action for item 2019-001:**

While Epworth Children & Family Services, Inc. believes that we have properly monitored grant utilization, we are in agreement that there is no formal procedure to track expenses by grant in 2019. In 2020, Epworth's accounting department has implemented additional procedures utilizing existing accounting software that will identify and track expenses by grant and allow Epworth to evaluate actual expenses applied against each grant on a monthly basis. This enhanced process will allow for precise tracking and reporting of all grant expenses.

#### **Views of responsible officials and planned corrective action for item 2019-002:**

Program management reviews client information and their number of days of services at weekly Admission staff meetings. While discussed, the review is not documented in meeting minutes. Going forward, management will include a listing of the clients reviewed for maximum allowable days of service in the meeting minutes. Program management will then sign off on their attendance at the meeting, confirming their review of the listing of clients.

#### **Views of responsible officials and planned corrective action for item 2019-003:**

See management's response for finding 2019-001 above.

#### **Views of responsible officials and planned corrective action for item 2019-004:**

While Epworth Children & Family Services, Inc. program personnel do review all documents related to grant reporting, we are in agreement that there is not a formal procedure documenting the review of both performance and financial reporting prior to submission of information to grantees. Based upon this finding, Epworth's Supportive Housing Program is immediately implementing additional oversight and a formal procedure to document the review of both performance and financial reporting prior to submission to the grantee. This additional procedure will help assure that grant reporting is timely and accurate.

## **EPWORTH CHILDREN & FAMILY SERVICES, INC.**

### **Summary Schedule of Prior Audit Findings**

December 31, 2019

---

#### **Findings – Financial Statements Audit – Year Ended December 31, 2018**

##### **2018-001 Review and Reporting of Grant Expenses**

**Condition-** Expenses attributed to grant clients and related services could not be segregated from overall program expenses.

**Recommendation-** Implement a formal procedure to track expenses by grant and evaluate actual expenses applied against the grant on a monthly basis.

**Current Status-** Beginning in fiscal year 2020, the Organization began tracking expenses by specific grant. The finding does not warrant further action.

##### **Findings and Questioned Costs – Major Federal Awards Program**

###### **DEPARTMENT OF HEALTH & HUMAN SERVICES Transitional Living Program—CFDA No. 93.550**

##### **2018-002 Internal Control Over Eligibility**

**Condition-** The preventative review of a client's file and eligibility to be coded as an Independent or Transitional Living Program recipient upon intake was not documented.

**Recommendation-** Implement a formal procedure to review the client's file and eligibility upon intake to ensure they can be coded to the Independent or Transitional Living Program.

**Current Status-** Beginning in 2018, the Organization began formally documenting approval of program clients in Admission meeting minutes. As the program has progressed, all current clients have gone through this eligibility review process. The finding does not warrant further action.

##### **2018-003 Internal Control to Monitor Days of Services**

**Condition-** A control did not exist to formally monitor clients and their related length of stays to ensure they did not exceed maximum allowable days of service.

**Recommendation-** Implement a formal procedure to review clients and their number of days of services to ensure no clients exceed the maximum allowable days as noted in compliance requirements.

**Current Status-** Epworth Program management now produce "days of care" documents that highlight clients monthly running totals as well as run reports in ETO to highlight total number of days in program. Quarterly and discharge meetings are also utilized to plan a client's discharge and are scheduled an appropriate amount of days before the clients last day of service per funder. Documentation of such review could not be tested, and this finding requires further action be taken. See Corrective Action Plan for finding 2019-02.
